

# Distance Learning .....p. 89-94

**About Distance Learning** - Distance learning uses telecommunications technology to deliver course materials. The types of distance learning courses offered this spring are: Web-Based/Internet, TeleWEB and Hybrid.

**Registration** - You can register online for Distance Learning courses by going to Banner at [www.stlcc.edu/SelfService](http://www.stlcc.edu/SelfService) or register in person at any on-campus Admission/Registration office.

**Books** - Students should purchase books and other materials from campus bookstores before courses begin. Books may be mailed to students at an additional charge. Books may also be ordered online. Go to [www.stlouiscbookstore.com](http://www.stlouiscbookstore.com).

**Accessibility** - Individuals with disabilities who are in need of auxiliary aids or accommodations should contact the campus Access office. All distance learning students have access to campus services, including advising, study skills and tutorial assistance, libraries, and learning labs. See page 9 for Access office information.

**Students must activate their student e-mail account – my.stlcc.edu – in order to receive correspondence via Blackboard. Visit [www.stlcc.edu/studentemail](http://www.stlcc.edu/studentemail) for information on how to activate your account.**

**Blackboard** - Blackboard course sites are used in many St. Louis Community College courses each semester. Students use Blackboard to:

- Find important class documents, such as the syllabus, handouts and lecture notes.
- Easily access e-reserves.
- Look up assignment due dates and exam schedules.
- Read class announcements.
- Participate in online discussions.
- Take quizzes and tests.
- Turn in assignments.
- Check grades.

Instructors may or may not use Blackboard. AOL, EarthLink, Prodigy and a few other Internet Service Providers (ISPs) offer versions of their own Internet browsers. These browsers may not work with Blackboard. We recommend that you download a free version of IE (Internet Explorer 5.5 or higher with JavaScript and Cookies enabled) to access Blackboard. Check with your instructors to find out how or if you are expected to use Blackboard. **For more information or to log in to Blackboard, go to [www.stlcc.edu/blackboard/](http://www.stlcc.edu/blackboard/).**

**Do you have what it takes to be a successful Distance Learning student?** - Take the online quiz to see if you are a good candidate for a Distance Learning course. The quiz is online at [www.stlcc.edu/distance\\_learning](http://www.stlcc.edu/distance_learning). You will receive instant feedback.

## Web-Based/Internet Courses

*Web course students attend class using a computer connected to the Internet. The computer can be at home or in a campus lab. Students need access to a computer that is connected to the Internet, a standard Internet Service Provider, an activated my.stlcc.edu student e-mail address (visit [www.stlcc.edu/studentemail](http://www.stlcc.edu/studentemail) for details on how to activate) and some basic computer/Internet skills. Web courses can be worked on at anytime day or night.*

**Some courses may require attendance at an orientation session and/or participation in activities or exams at an approved testing site. For more information about a given course, check the interactive schedule for orientation and exam requirements at [http://classes.stlcc.edu/ClassSchedule/Term\\_Search.asp](http://classes.stlcc.edu/ClassSchedule/Term_Search.asp).**

For more information about a given course, or to check the orientation schedules, please check the Web site [www.stlcc.edu/distance\\_learning](http://www.stlcc.edu/distance_learning).

AOL, EarthLink, Prodigy and a few other Internet Service Providers (ISPs) offer versions of their own internet browsers. These browsers may not work with Blackboard. We recommend that you download a free version of IE (Internet Explorer 5.5 or higher with JavaScript and Cookies enabled) to access Blackboard.

## TeleWEB Courses

There is a \$20 service fee for all TeleWEB courses.

**TeleWEBcourses (Sections T54, T55, T56, T66)** – These are a combination of video-based/Web-based course (Blackboard) and e-mail. Students view video lessons either through library check out\* or by streaming video. A broadband Internet connection, either DSL or cable modem, and Windows Media Player are required for streaming video. (Some will run via a dial-up/56K modem.) For additional information on TeleWEBcourses, check the Web site at [www.stlcc.edu/distance\\_learning](http://www.stlcc.edu/distance_learning).

\* STLCC Student I.D. required.

**Withdrawal Deadlines - 6-week courses - Friday, July 10; 8-week courses - Friday July 17.**

**Refunds** – 100% of the regular maintenance fee and the \$20 TeleWEB service fee will be refunded if the course is dropped by the end of the last working day before the course start date. Thereafter, fees are refunded as follows:

80%	through the end of 5 working days
50%	through the end of 10 working days
0%	after 10 working days

ANT:102	T54	20490	Introduction to Cultural Anthropology	3 cr	TBA		C Mittler	6/8-8/2
ANT:103	TW5	20677	Cultural Variations	3 cr	TBA		P Warnock	6/8-8/2
ANT:105	T56	22066	Foundations of Archaeology	3 cr	TBA		STAFF	6/8-8/2

Additional information (Notes) on some courses can be found online at [http://classes.stlcc.edu/ClassSchedule/term\\_search.asp](http://classes.stlcc.edu/ClassSchedule/term_search.asp)

## Hybrid

Hybrid courses meet part of the semester on campus and part of the semester over the Web. Using the Internet, a percentage of the course instruction and/or assignments is exchanged via the Web, while the remainder of the course is delivered via traditional on-campus class meetings. Student will need access to the Internet, an activated mystlcc.edu student e-mail address (visit [www.stlcc.edu/studentemail](http://www.stlcc.edu/studentemail) for details on how to activate) and other computer-based tools. Check with your instructor for further information.
