Parent/Guardian Authorization to Participate in STLCC's Dual Enrollment Program

Each Dual Enrollment student and their parent/guardian must review the information below and sign indicating they understand and accept responsibility for the decision to enroll.

1. The student must adhere to all college policies and deadlines as outlined in the college catalog and student code of conduct. Violations of the code of conduct will result in disciplinary action as outlined by the STLCC discipline process. Parents/Guardians are responsible for any student supervision required when the student is on campus but not in class. Visit stlcc.edu/policies to review STLCC policies.
2. There could be classroom discussion or materials that the student and/or parent/guardian may not consider age appropriate. If the student or parent/guardian is not comfortable with an assignment or classroom discussion, the faculty member is not required to substitute an alternate activity or grading exercise.
3. The grade received by the student is part of the student's permanent post-secondary academic record and may affect the student's eligibility for future financial aid, college scholarships, and/or freshman/first-time status at other institutions of higher education.
4. While the student will have equal access to any academic support services offered to the student body, no extraordinary academic measures will be granted the student due to being a dual enrollment student. The faculty member may provide standard updates on academic progress directly to the student. This may include graded homework, graded test papers, etc. In a college environment, attendance is not reported, and faculty members do not provide written or personal/telephone summaries throughout the semester.
5. To withdraw from a class, the student must complete and submit a Drop/Add Form to the Admissions and Enrollment Services office at their STLCC campus by the published withdrawal deadline for the semester. Failure to officially withdraw from STLCC may result in an "F" on the student's permanent college transcript. Visit stlcc.edu/calendar for important dates and deadlines.
6. It is the student's responsibility to check their class schedule in Banner Self-Service to be sure they are registered for the desired STLCC classes. In addition, it is the student's responsibility to establish and check their MySTLCC email account.
7. The student and parent/guardian agree to pay all tuition and fees that apply to the courses by the payment due date. In addition, the student and parent/guardian agree to pay any late payment and collection fees if necessary. Visit stlcc.edu/paymentdate for more details.
