4.1.11 Recommendation for Award/Purchasing

Board of Trustee approval is requested for an agreement with ***DIGITAL 900 WALNUT, LLC***, for POP Room licensing, to provide additional internet access, in an amount not to exceed ***\$50,000.00***, for a period of five (5) full years, to begin, February 18, 2011.

Description

The State of Missouri no longer subsidizes the College's internet service provided by MoreNet; establishing this agreement with Digital 900 Walnut, LLC for POP Room Licensing will allow the disconnection of two (2) MoreNet circuits reducing internet service fees by approximately \$15,000.00 annually. Digital 900 Walnut, LLC is the only provider of network carrier services in St. Louis that can be used in concert with the College's MoreNet Service, precluding a competitive bid.

Funding

Purchases made from this agreement will be funded from current operating budgets.

4.2.1 Request for Ratification/Purchasing

Ratification is requested for the restricted purchase of two (2) Rockwell hardness testers with accessories, installation and training from *INSTRON*, in the amount of **\$31,413.00**, under the College's Board Policy No. H.5.1, "Restrictions for Purchases Exceeding \$5,000/Academic Selections".

Description

This equipment will be used by the Mechanical Engineering Department at Florissant Valley to replace older units no longer operating reliably. They will be used in classroom and laboratory instruction for testing metals, plastics and composites to determine physical properties, applicable to careers in any manufacturing or research environment relating to these substances. The Wilson Instrument brand is exclusively recommended by the Mechanical Engineering faculty as having a highly pervasive market penetration in these industries and represents an advantage to those students trained on it. Instron is neither a known minority-owned nor woman-owned business enterprise.

To ensure that the equipment is received and paid for by March 1, 2011, to qualify for the 50/50 grant reimbursement, the purchase order was placed on January 18, 2011; therefore ratification is being requested for this purchase.

**Executive Summary February 17, 2011
(Financial Results Through 1/31/2011)****Revenue**

The Budget Status Summary Report for the first seven months of the fiscal year shows current fiscal year revenue of \$136.2 million or 82.8% of the budgeted revenue as compared to \$135.9 million or 83.9% of the budget for the same seven month period of last year. Local Taxes are anticipated to be slightly over last year due to rate capacity and the non-reassessment year. Student Fees of \$51.8 million is \$2.2 million or 4.4% higher than last year. Student Maintenance Fee increases over the previous fiscal year are due to the continuing rise in enrollment but without the benefit of a fee increase. State Aid and Other will be lower compared to last year due to a 5.2% reduction in appropriations from the state, and continued weakness in investment rates.

Expenditures

Total Expenditures for the first seven months of the fiscal year are \$80.6 million or 54.4% of the budgeted expenditures as compared to \$80.2 million or 55.2% for the same seven month period of the prior year. The \$435k increase in Total Expenditures year-to-year is comprised of \$364k higher Salary and Benefits expense and Utilities expense at \$623k over the previous fiscal year, which is offset by \$261k lower Supplies expenditures, \$177k lower Advertising expense, and \$119k lower Dues and Membership expenses.

Transfers

Transfers for FY 2011 are \$19.6 million or 90.7% of budget as compared to \$26.9 million or 93.1% of the budgeted transfers for the prior year period. The \$4.95 million transfer, approved at the October 28, 2010 Trustee's meeting, decreases in planned capital expenditures and last fiscal year's \$12.0 million transfer to the Plant Fund for Capital are the primary reasons for the difference between FY 2011 and FY 2010.

VIII. Insurance

Employee Benefits

OVERVIEW

For the 2011-2012 benefit year, the college went out to bid for all employee benefits plans except for the Flexible Spending Account. We decided to bid the medical insurance to review self funded and fully insured medical plan alternatives. The ancillary benefits plans include various dental, vision, life/AD&D, and disability plans.

A. Ancillary Benefits

There were no cost increases in any of the bids recommended for the miscellaneous benefits. In fact, overall, these plans total approximately \$185,000 in cost reduction/savings to the College with no adverse changes to the plan designs of those various plans. As a result of the bidding, changes in carriers occurred in 4 of these 7 plans. Aetna dental is being recommended with a significant cost savings for the PPO dental plan with. Cigna is being recommended for the Voluntary Short-term Disability plan, the Long-term Disability plan, and Standard Insurance for the Life Insurance/AD&D plan.

B. Medical Renewal/Bidding

The renewal for the 2nd year of our fully insured contract with United Healthcare came in at a 19.2% increase over last year's premiums. This represents an increase of approximately \$2,826,562 overall and \$2,046,413 to the College. Due to the high renewal increase, healthcare reform and double digit trends in premium cost, we reviewed the self funded market and the fully insured medical market. We also received quotes from stop loss carriers.

(8) CONTRACT AWARD/RENEWAL FOR EMPLOYEE INSURANCE

8.1.1 Recommendation for Award of Medical Insurance Contract

Board Approval is requested for the award of a contract to United Healthcare **fully insured, with plan changes for a period** of two (2) full years to begin June 1, 2011.

Description

The College sought competitive bids for fully insured and self-funded medical plans for employees and eligible retirees. The bid specifications required quotes that duplicated our current medical plan as closely as possible. Requests for fully insured were received from 2 insurance carriers, and 7 medical providers for self-funded plans. Request for proposals were also sent to 15 Stop Loss carriers of which 5 quoted. It is important to note, Stop Loss Carriers quotes are not final until 60 days prior to the effective date, June 1. Stop-loss coverage is a form of reinsurance for self funded plans that limits the amount employers will have to pay for an individual person's medical claims or for the total expenses that exceed the expected level of claims for the employer (group limit). Generally, the employer is responsible for the first 25% of claims which exceed the expected claim level and the stop loss insurance covers amounts over that 25% corridor.

The top two carriers for the self-funded quotes were United Healthcare with a 15.32% increase over current, and Cigna with 15.72% increase. The top two Third Party Administrators with Stop Loss were Healthscope, with a 16.36% increase over current, and Meritain with a 16.33% increase. The College, the employee Benefits Advisory Committee and Lockton analyzed both options. Although self-funded bids were requested and analyzed, it is not recommended that the College adopt this funding option for the 2011-2012 plan year. The small projected reduction in renewal rate versus the potential risk of additional expense to the College for exceeding the expected level of claims for the self funded options are not significant enough to adopt self- funding at this time.

The incumbent, United Healthcare was deemed to be the finalist for the fully insured contract. Rates quoted are for a 12 month period and are subject to renewal for one year. United Healthcare originally quoted a 19.2% increase over current, but also offered some plan change options with significant discounts. Lockton, the College, the College's employee benefits consultant, analyzed the proposals and the College and the Employee Benefits Advisory Committee reviewed and evaluated the results. It should be noted, the Employee Benefits Advisory Committee recommended the College remain with UHC and absorb the 19.2% increase with no plan changes, due to a million dollar reduction in medical insurance cost and no employee pay increases last year. However, the College leadership recommends the College select United Healthcare's "option 1" with a 13.8% increase over current. Option 1 does include the following plan changes:

- Office visit copays increase from the current \$15 to **\$20** (From \$20 to **\$25** for Base Plan)
- Prescription drug copays increase from the current \$6, \$20 & \$35 to **\$10, \$25 & \$40**
- Emergency Room copay is increased from the current \$100 to **\$150**
- Out of network coinsurance coverage is decreased and deductibles are raised (A very small percentage of our claims are out of network).
- Out of network out-of-pocket maximums are increased

The proposed plan changes are fairly minor and yield significant reduction in renewal rate. In addition, the College medical plan, even with these plan changes, is still a plan that compares extremely favorably with plans at other Colleges and businesses. Making these changes will reduce the College renewal cost by \$574,141 in the 2011-2012 plan year. Based on the results, the recommended carrier is United Healthcare fully insured with the plan changes identified above. The total annual premium for active employee and retiree medical insurance will be \$16,755,431 with a \$1,472,272 increase to the College from last year. The College's portion of that total premium will be \$12,130,651.

8.1.2 Recommendation for Award of Dental (PPO) Insurance Contract

Board Approval is requested for the award of a contract to Aetna (Dental PPO) for a period of three (3) full years to begin June 1, 2011.

Description

The College sought competitive bids for the Dental PPO plan. The bid specifications required quotes that duplicated our current dental plans. Proposals were received from 10 insurance carriers. Our insurance consultant, Lockton, analyzed the proposals and the College's Benefits Advisory Committee reviewed and evaluated the results. The top 4 proposals were from Cigna, Aetna, Guardian, and Ameritas. All carriers offered rate reductions to the current program. After a thorough review of all of the companies' rates, rate guarantees, network size and disruption, plan design, continuity and customer satisfaction, it was unanimously agreed upon by the Benefits Advisory Committee to recommend Aetna, with a two year rate guarantee at a decrease in rate of 4.7% and provided a 8% rate cap in year 3. The projected 2 year savings to the College is \$99,414. Aetna has also matched their plan to the current MetLife plan. Based on the foregoing information, the College recommends Aetna as the sole finalist and recommended contractor. The total annual premium for the Dental PPO Insurance under this recommendation first year will be \$1,017,565 which is an annual cost savings of \$49,707 to the College. The College's portion of the total premium will be \$729,028.92.

8.1.3 Recommendation for Award of Dental (HMO) Insurance Contract

Board Approval is requested for the award of a contract to Dental Source (Dental HMO) for a period of three (3) full years to begin June 1, 2011.

Description

The College sought competitive bids for the Dental HMO plan. The bid specifications required quotes that duplicated our current dental plans. Proposals were received from 3 insurance carriers for the Dental HMO plan. The top two proposals were received from incumbent Dental Source and Cigna. Our insurance consultant, Lockton, analyzed the proposals and the College's Benefits Advisory Committee reviewed and evaluated the results. Dental Source quoted a 3 year rate guarantee and proposed holding the current rates. Cigna quoted an 11.72 % decrease for one year and a 5% rate cap in the 2nd year, and a 3rd year rate cap at 6%. The Committee voted to recommend Dental Source as our DMO carrier due to a no rate increase, a 3 year rate guarantee, significantly less network disruption and over all employee satisfaction. The total cost from the previous year of \$24,696 will remain the same. The College recommends Dental Source as the sole finalist and recommended contractor. The College's portion of the total premium will be \$17,901.60.

Dental Source Bid	\$9.80	\$20.20	\$30.00		
Cigna	\$8.63	\$17.84	\$26.47		

**The Employee Benefits Advisory Committee rated each finalist on several factors; cost, network size, network disruption, customer service/satisfaction, plan design, contingencies and administration. The factors were weighted with cost being weighted at 50%. While the Cigna bid is slightly lower in cost, there are only a limited number of employees enrolled in this plan and the total cost impact in dollars is negligible. The reason for remaining with Dental Source is that network disruption is high in Dental HMO plans and many employees would not be able to keep their current dentist.

EyeMed proposed a 13.7% decrease with plan enhancements, while VBA proposed an 8.3% decrease over current. The Committee voted to remain with EyeMed as our vision carrier due to a rate decrease, plan enhancement and the overall employee satisfaction of EyeMed. The total cost savings from the previous year of \$15,309. The College recommends Dental Source as the sole finalist and recommended contractor. The College's portion of the total premium will be \$17,901.

Proposals were received from 12 insurance carriers for the Life/AD&D plan. 8.1.7 Recommendation for Award of Voluntary Short-Term Disability Insurance Contract

Board approval is requested for the award of a contract to Cigna for a period of three (3) full years to begin June 1, 2011.

Description

The College sought competitive bids for the Voluntary Short-Term Disability (VSTD) plan. The bid specifications required quotes that duplicated our current VSTD plan. Proposals were received from 11 insurance carriers for the VSTD plan. The top three proposals were received from Cigna, Aetna and Reliance Standard. Our insurance consultant, Lockton, analyzed the proposals and the College and the employee Benefits Advisory Committee reviewed and evaluated the results. Cigna quoted current rates, with a 3 year rate guarantee, while Hartford, the incumbent quoted a 30% increase over current. Aetna and Reliance quoted decreases but could not match plan current plan design. The Benefits Advisory Committee voted to switch to Cigna who also provided a discount to the Long Term Disability. It is best to keep the VSTD and LTD with the same carrier, if possible. Based on the foregoing information the College recommends Cigna as the sole finalist and recommended contractor. The total annual premium for VSTD Insurance under this recommendation will be \$117,651, which is the same cost as previous year. Since this is a voluntary program, there is no cost to the College.
