Dr. Michaelis gave an update on Campus Works. He said 11 out of 12 business process reviews have been received to date and the process is moving along well, and expected to be completed by the end of June.

12.2 Board Chair’s Report

Dr. Larson gave the following report:

“I want to wish you all a safe and Happy New Year from the Board of Trustees.

On behalf of the Board, I would like to extend congratulations to Ruby Curry for being an honoree at St. Louis University’s annual Martin Luther King, Jr. Memorial Tribute. She was recognized for her dedicated and continuous contributions to the community based on the spirit and principles of Dr. King.

On January 5th, Dr. Michaelis and I met with officials of the Pattonville School District on how we can work together more collaboratively in the months and years ahead. It was a very productive meeting and working groups are being formed around the proposed initiatives, which include pathways in Advanced Manufacturing, Information Technology and Pharmacy Tech.

It is my hope that in the future we can work to build partnerships with many more school districts. This work with the local K-12 districts is important for many

reasons—we need to reach students in high school to help them prepare for and be focused upon a career that STLCC can assist them to achieve, we need to build our enrollment from “traditional students”—those graduating high school, and we need to work with the K-12 world to align their curriculum to our expectations for students to be able to earn college credit. I have been pleased with our reception from St. Louis Public, Pattonville, and Special School Districts to this point.

Dr. Graham, Dr. Michaelis and I will travel next week to the Association of Community College Trustees’ Legislative Summit in Washington, D.C. With President Obama’s proposal for free community college, the timing could not be better for us to meet with our Senators and Representatives and share the Community College agenda.

While we are at the Legislative Summit, Dr. Graham will be interviewed for a place on the ACCT Diversity Committee. She currently serves as an associate member. We are proud of her for representing the college on the national level.

Tomorrow, the Chancellor Search Committee will meet to discuss the top five candidates and select those to be interviewed. To date, 27 people have applied for the position.”

12.3 Citizens Desiring to Address the Board Regarding Other Concerns

None.

12.4 Board Member Comments

Mr. Brown asked if there had been any follow up to the incident in the Stadium East Parking Garage. Mr. Mark Potratz, Director of Public Safety, advised that the parking garage is not a college facility, that the incident was not related to a crime and did not involve the college.

Mr. Brown stated that according to both law and Board Policy, contracted property is under the college’s jurisdiction.

Ms. Jackson asked if the Superintendents the college is meeting with are having forums with the students. Dr. Larson advised that they are working with students about having a plan for the future. He is however, hearing from Superintendents that the community college needs to market itself better.

Ms. Jackson added that President Obama's announcement about community colleges is helping parents take a better look at the community college.

Ms. Fitzgerald said she is being asked about the free tuition proposal at church.

Dr. Larson and Dr. Michaelis said that Missouri is working to fully fund A+, but some believe it to be a myth, as funding has been eroded. Dr. Michaelis further stated that President Obama's plan goes beyond that and is very important because it has started discussion.

Dr. Graham thanked Dr. Larson and Dr. Michaelis for their hard work with the superintendents. She also announced that Saturday, January 31st was her 50th Wedding anniversary and thanked STLCC Wildwood for the gift.

13. NEW BUSINESS

Mr. Brown moved to invoke a vote on Board policies F10, F6, B. 23 and B.24, to help with the college budget. The motion died for lack of a second.

14. ADJOURNMENT

There being no other or further business to come before the Board, the meeting was adjourned at 8:20 p.m.

Respectfully submitted,

Rebecca Garrison

Academic and Student Affairs

◆The college recommends that the Board approve the deactivation of the Dietetic Technology: Food Service Management Associate in Applied Science program approved and submitted by the District Curriculum Committee.

**Program: Dietetic Technology: Food Service Management
Associate in Applied Science**
Effective: Summer 2015 pending CBHE approval

Impact Statement

The Dietetic Technology, Food Service Management option AAS is being deactivated in response to changing needs in the workforce which requires proficiency in both Nutrition Care and Food Service Management. The Nutrition Care program is currently undergoing curriculum changes to combine the options. Students who have career aspirations in this field can be served through Dietetic Technology: Nutrition Care. The few students currently enrolled in this program will be allowed to change their degree to the Nutrition Care option as there is only one course difference between the two options.

◆The college recommends that the Board approve the deactivation of the General Transfer Studies: International Studies Option Associate in Applied Science program approved and submitted by the District Curriculum Committee.

**Program: General Transfer Studies: International Studies Option
Associate in Applied Science**
Effective: Summer 2015

Impact Statement

This program is being deactivated due to low enrollment. Since 2000, there have been only 12 students who completed this degree and only five in the past five years; 3 in 2009, 1 in 2010, and 1 in 2012. Students with an interest in this area are recommended to complete the General Transfer Studies with targeted coursework in international studies. In addition, STLCC never sought nor received State of Missouri approval to offer this degree program so this deactivation aligns us with the list of approved programs at the Missouri Department of Higher Education.
