13. COMMUNICATIONS

13.1 Chancellor's Report

Dr. Pittman gave the following report:

State Appropriation Budget Cuts

On Monday, January 16 the Governor's office announced cuts that totaled \$146M. For higher education, the cuts included \$55M for four year institutions (plus special projects, like capital) and the community college sector realized an \$11M reduction. STLCC's portion of the cut is approximately \$3.6 M for this round.

To address the reductions, staff are already in the process of making adjustments as needed. Three priorities are being examined at this time:

- We will closely examine any vacant positions and only fill those that are most critical to operations and student success. (Vacant positions currently = 2.4M)
- The budget cut may defer planned improvements to facilities by \$530,000 that have been under way for the past several months.
- We will be asking each department to reduce operating expenditures by 3% going forward for the remaining fiscal year (\$730,000).
- Review adjunct and overload budgets after all course assignments are entered into Banner (later this month) to determine what may be reduced from these budgets for the remainder of the year. (Estimated \$100,000.)

Fortunately, College officials have been working to streamline and create efficiencies within the College, which has softened the budget cut this round. Unfortunately, future cuts could call for more drastic action, such as layoffs and/or reduction in services, depending upon the amount of cuts that are made. On Monday, the Governor stated that the State could potentially be looking at a \$700 M shortfall in total for the next 18 months.

Legislative Meetings (Tuesday, January 11, and Wednesday, January 12)

On January 11 and 12, Ann Brand and I met with several of our delegation at the State Capitol, including a Legislative Breakfast on the 12th. We had very good meetings and were able to provide updates about the College. We also met with several of our freshman legislators, all who seemed to be very supportive of the College and the service we provide the community.

Tomorrow the Trustees and I have invited all area legislators to a meet and greet event to provide them with additional information about the College. Many thanks to our legislators and their continued support of the College!

Strategic Plan Update

The “Internal Strategic Plan” is near completion, and was shared with Trustees yesterday for review. The Internal Plan includes specific objectives for each goal and initiative, implementation steps, metrics for each implementation step, and timelines.

This first round of objectives are for this calendar year, and we will update the internal plan each year with new objectives. The Initiative Champions will be leading teams to accomplish each objective, with report outs due each quarter (the first report out will be toward the end of March, 2017).

Many thanks to all of those who have participated in the plan to date!

13.2 Board Chair Report

- Prior to the holiday break, Dr. Pittman and I met with NEA leaders Rob Hertel and Emily Neal over lunch, where we discussed College matters and shared concerns. We look forward to more opportunities to build trust and strong relationships with faculty leaders.
- Tomorrow the Board and the Chancellor are hosting a Legislative Reception at the Forest Park Campus. Nine Legislators have accepted our invitation to attend. We look forward to networking with them and promoting St. Louis Community College.
- The STLCC Foundation’s 9th annual ‘Falling in Love in Five Courses’ gala will take place on Saturday, February 4th, at The Four Seasons – St. Louis. Chef Hugh Acheson will be the celebrity chef for the event. I understand there will be a table for Trustees. If you have not already purchased your ticket, please contact the Foundation or Becky for more information.
- The Board recently sent letters of congratulations to both the Riverview Gardens and St. Louis City Schools on their recent accreditations. The College is working diligently with the faculty and staff of both districts to provide pathways for students to higher education opportunities,

Board Agenda

#8 Recommended Lodging of Revised Board Policy H.20 Fees and Fines

H.20 Fees and Fines ^(R 6/16)

H.20.2 College Activity Fee ^(R 3/15)

Each student will be assessed a fee of ~~\$6~~ **\$6.50** per credit hour or equivalent credit hour.

The ~~\$6~~ **\$6.50** per credit hour will be allocated:

- \$1 to auxiliary enterprises fund for the retirement of revenue bonds and maintenance of student centers.
- ~~\$2~~ **\$2.50** for the support of public safety, pedestrian and traffic access, emergency loans and for public transportation passes for students in credit bearing classes.
- \$3 for college activities – the first \$200,000 collected for college activities will be designated as general revenue to support student athletics.

9 Recommended Approval of Revised Board Policy G.12.2 General Degree Requirements

The minimum number of credits for an associate degree was reduced to 60 credit hours in June of 2016. The State of Missouri Requirement for general education for associate degrees other than the Associate in Arts and the Associate in Teaching is a minimum of twenty-five percent of the total credits in the program. Thus, because the minimum number of credits in the program as lowered from 64 to 60, the minimum number of general education credit hours in the Associate in Science, the Associate in Fine Arts and the Associate in Applied science were changed accordingly.

This recommended change to Board Policy is only a change to the minimum requirements for graduation. If adopted, it does not change any individual program or remove any PE courses from our catalog. Any program wishing to change general education requirements or remove physical education would be required to go through the established curriculum revision process, thus, empowering faculty to make decisions about the curriculum.

Student Affairs

Tuition Reciprocity Agreement - Midwest Student Exchange Program

It is recommended that the Board of Trustees approve an agreement between St. Louis Community College (STLCC) and Midwest Higher Education Compact for the STLCC to participate in the Midwest Student Exchange Program (MSEP) beginning in the Summer 2017 semester. MSEP is a multi-state tuition reciprocity program that includes Illinois, Indiana, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, and Wisconsin. Through the MSEP agreement, STLCC agrees to charge students participating in the Program the in-state resident rate for maintenance fees.

Academic Affairs

◆It is recommended that the Board of Trustees approve the revision of the Life Science Laboratory Assistant Certificate of Specialization program submitted by the District Curriculum Committee.

Program: Life Science Laboratory Assistant
Certificate of Specialization

Effective: Summer 2017 pending BOT approval

Impact Statement

In order to continue with industry relevance, and with the revisions in the AAS Biotechnology program, the Life Science Lab Assistant (LSLA) program will drop the GE 101 Technical Computer Applications course requirement, and replace it with COM 101 Oral Communications I. The addition of COM 101 to the program will continue to allow the 6 credit hour transfer of credits from the LSLA to the AAS Biotechnology program, while also helping students to improve their communication skills, which the industry has highlighted as a great skill need. Both courses are 3 credit hours, and thus keep the LSLA program at the same overall credits of 16. Additionally, GE 101 has been determined to not be the correct course to supply students with skills in Microsoft Word, Excel, and PowerPoint that industry is expecting. The content needed in those areas is already covered in other LSLA courses (BIO 104 and BIO 100), and thus the exchange of these courses is necessary to stay competitive with the expectations of our local industry.
