### **11. COMMUNICATIONS**

#### **11.1 Chancellor's Report**

Dr. Pittman gave the following report:

#### **Harrison Center Concept**

On Tuesday of this week, Stacey Edwards, Don Robinson and I met with representatives from the Urban League and Mission STL to begin discussions of a “Workforce Development Training Center” for the City of St. Louis to be located at the Harrison Center.

Michael McMillian, Michael Holmes (Urban League) and I have been talking about this concept for the past couple of months. The Urban League is committed to developing a partnership with St. Louis Community College at the Harrison Education Center. This partnership is to make the HEC the place it was built to be which is to provide higher education opportunities to residents of North St. Louis City.

This partnership will provide the following:

1. Make the Harrison Center the Workforce Development Training Center for the city of St. Louis where resident can get short-term training and provide stackable credential opportunities for certificates and degrees at STLCC.
2. Use the HEC as the One Stop Apprenticeship Center for the St. Louis area.
3. Become the training center for the new Grand Avenue Workforce Development Collaboration. This collaboration is a partnership between Mission STL, Herbert Hoovers Boys and Girls Club of St. Louis, and the Urban League.
4. Create a STEM Saturday Academy for North St. Louis.
5. Begin work for training for the build out and development of the NGA project, both for construction jobs and technicians.

Funding for the Center will initially come from grants, and Don Robinson and I are working with the Department for Workforce Development at this time to secure initial funding for this project. This will be an opportunity to begin developing relationships with federal and state officials to develop the North St. Louis area. In order to be a truly successful partnership, this will have to be a collaborative effort for all involved parties. This partnership has the potential to be an exciting, new and innovative means to address a pressing need in our community which is to provide a location for quality short-term training that meets the needs of the regional business community.

## Campaign Planning/Feasibility Study

Included with your information is an update on the list of interviews to date for the feasibility study for the capital campaign, and future interviews planned.

Representatives from Dini Spheris have indicated that they are able to get meetings scheduled (which is sometimes a problem) and are receiving very positive feedback on the College and its relationship to the STL communities and workforce.

STLCC Campaign Planning Committee midpoint call with Dini Spheris is scheduled for 1/22, and they will provide a midpoint presentation to the STLCC Foundation board on 1/24

Things are moving along nicely with the feasibility study. The major areas being emphasized are:

- Center for Nursing and Health Sciences
- Additional Campus Upgrades
- Workforce Solutions and Accelerated Training Programs
- Internship and Apprentices
- College Readiness (Co-Requisite and Adult Learning Academy)
- Financial Assistance Programs for students, including scholarships, childcare assistance and food security.

### **Update on Reduction in Force Rescissions**

As an update, we continue to receive election forms from faculty and staff who have decided to take advantage of the two additional VSIPs we have offered this year. As of last night, we have received 32 forms from faculty and staff. As a result, I am pleased to announce that the first rescission letters have been sent to faculty today who had been noticed prior to December 15.

I would like to take this opportunity to thank the Trustees and faculty and staff involved in creating the VSIP opportunities, and appreciate the work of College and NEA leaders in working to develop a win-win scenario in the light of financial difficulties coming from the State.

We will continue to proceed optimistically but also responsibly given the current fiscal situation at the State level, and I will keep you updated on the VSIP programs and their outcomes.

### **Legislative Visits**

During Tuesday and Wednesday of last week, Ann Brand and I met with several legislators of our delegation to express our concerns regarding last year's budget cuts and the need to maintain our core funding going forward. We met with delegates from both the House and Senate and were very well received. We also presented Senator Gina Walsh and Representative David Gregory with their MCCA Legislative Awards.

Given my role with MCCA, I will be spending much time in Jefferson City in the coming months to address budget concerns for both STLCC and for all of the State's community colleges. Also, STLCC's "week in the capital" will be the week of March 12 and we are working to take a student delegation with us for a trip to meet several of our delegates and learn about the legislative process.

## 11.2 Board Chair's Report

Welcome back! A New Year has begun and the possibilities for our students are endless!

On behalf of the Board, I want to take this opportunity to thank all College Faculty and Staff who assisted with spring semester enrollment. Your calls and e-mails made a difference in the lives of many of our students. Through the spirit of teamwork, great things can be achieved. The Board appreciates your collaboration and hard work.

The Foundation's 10<sup>th</sup> annual 'Falling in Love in Five Courses' gala will take place on Saturday, February 17<sup>th</sup>, at The Four Seasons – St. Louis. This exclusive culinary adventure is a collaboration and will be prepared by Celebrity David Chef Burke, the Four Seasons' Chef and Chef Casey Shiller of our Forest Park Campus along with students from the College's highly acclaimed culinary arts program. Please contact the Foundation office for additional information. Proceeds from this event provide scholarships for deserving students who do not have the funds to attend college.
