

St. Louis Community College Foundation

St. Louis Community College Foundation solicits private financial support to further the mission of the St. Louis Community College.

ABOUT THE FOUNDATION

The STLCC Foundation was established to build awareness of the College and raise funds to help meet ongoing financial needs of students and the College. Keeping tuition and fees affordable for students requires the support of private donors who are needed to maintain its excellence.

The Foundation receives hundreds of gifts each year from alumni, staff, corporations, foundations and friends of the College. Support for the College comes through special constituency campaigns, corporate and foundation grants, deferred gifts, corporate matching gifts and other annual fund and major gift activities.
