

Scholarship Application

To apply, applicant must:

1. Be currently eligible to register for classes at St. Louis Community College (scholarship awards are contingent upon enrollment).
2. Complete this application form.
3. Attach any required supplemental materials (found in scholarship description).
Note: Failure to submit required supplemental materials will result in ineligibility.
4. Submit application form and supplemental materials to Becky Epps at bepps@stlcc.edu

*Applications must be received two week prior to class start date. Applicants must adhere to all STLCC scholarship requirements, and meet all criteria listed in the scholarship description.
