Selective Admissions to Health Science Program Prerequisites

Rationale: Students who wish to declare a major in some health professions programs must meet minimum criteria to apply. Admission to a program in the School of Health Professions is selective due to availability and limitations of practicum sites and limitations in the number of students who can be accommodated in clinical groups. All students interested in this program should consult a Student Success Advisor at their campus of their choice. The programs in the School of Health Professions require clinical or field experience as part of the curriculum. A criminal background check, drug screen, and documentation of current immunizations are required (at the student's expense) for participation in clinical or other field experiences. Specific academic criteria for admission are on the second page of this document.

Admission to St. Louis Community College does not guarantee admission to the Computed Tomography program. Below is a pre-entry checklist.

General Pre-entry Requirements:		Check
1	Application submitted for admission to STLCC. Please visit www.stlcc.edu/apply .	
2	Degree Seeking Status. Official College Transcripts - An official transcript from each college attended must be sent directly from the college attended to the STLCC-Registrar's Office and fully evaluated. Please visit https://stlcc.edu/admissions/apply-to-stlcc/transfer-students/transferring-credit-to-stlcc.aspx for more information.	
3	All applicants must be either a registered Radiologic Technologist, Nuclear Medicine Technologist, or Radiation Therapist prior to applying to the CT program. <ul style="list-style-type: none"> If the credential is held through ARRT please go to https://www.arrt.org/pages/verify-credentials to verify credentials. If the credential is held through NMTCB, please go to https://www.nmtcb.org/verification to verify credentials. All applicants must hold a current certification and submit verification of credentials with their application. 	
When the above criteria have been met, students must submit a signed Computed Tomography application. The application must be signed by both the student and Student Success Advisor. Completed applications must be emailed to ctprogram@stlcc.edu . Mailed or faxed applications will not be accepted or processed. All communication from the Computed Tomography program will be sent to <i>STLCC student email addresses only</i> . No communication will be mailed or faxed to students. <i>Admission and degree requirements are subject to change without advance notice.</i>
