See Where CONTINUING ED Can Take You.

From Writing Student to Published Author and Songwriter

Janet K. is a practitioner of lifetime learning. St. Louis Community College Continuing Education (STLCC CE) offers courses that are rewarding both personally and professionally to her.

"The STLCC CE teachers bring knowledge and teaching skills to each unique and fulfilling course. The courses also provide interaction with my fellow students, who share my interests".

In 2017, Janet was awarded her Writing Certificate through the STLCC CE Writing Certificate Program. Her short story "Once Upon a Friendship" appeared in the 2023 #1 International Best-Selling Anthology "Perfectly Imperfect".

Janet's song "Space Age" was featured in 2019's "It's Time to Write a Song" album, funded in part by STLCC, Kevin Renick producer and she has had several other short stories and drawings featured in local and national publications.

From Irish Language Class to World Singing Stage:

In 2010, Alan D. enrolled in an Irish language class through STLCC CE and was instantly hooked.

Eager to keep learning but finding few opportunities in St. Louis to practice Gaelic, he took a friend's advice to join an Irish singing group.

His passion paid off—years later, Alan entered a local singing competition and clinched the regional award twice, earning him a spot to compete in Ireland at the World Competition!

Over 60+ CE classes taken!

Julie N. consistently attends STLCC CE classes because of the quality of the instructors and variety of topics covered.

The classes have contributed to her personal growth by helping her learn more about subjects that resonate with her. She loves the bus tours and the classes on history!

Project Management

Project managers are in demand when the need is for skills that require time, resources and financial management with a finite effort. Working knowledge of these skills is recognized by the Project Management Institute (PMI) through various levels of certification. This course helps you to prepare for the PMP certification exam by presenting the critical concepts together with the core knowledge areas covered in the exam. Topics covered include the process groups and relationships, terminology and decision making practice. Session attendance in this course counts toward the project management training criteria of 35 hours that is required to register for the PMP exam. This practical learning experience prepares the student for the PMP® certification exam by lecture, online exercises, working sessions and practice exams. Class times: Wednesdays, 6-9PM on Oct 2-Oct 30; and Saturdays 8:30AM-4PM on Oct 12, 19, 26. Last date to register and withdraw with refund: Sep 25.

BPCT-703 | 8 sessions | \$1699^{AGE 60+} | \$1699^{REG}

Home Technology

Beyond Broadcasting

"What's on TV tonight?" was once an easily answered question through TV Guide or channel surfing. But in today's era of smart TVs, streaming subscription, cord-cutting and on-demand services, finding an answer is more challenging. Survey the transition from analog broadcast to the digital age of smart devices and streaming services. Discover "what's on," explore how to watch, and understand what still needs an antenna.

COMP-765 1 session \$39 ^{AGE 60+} \$39 ^{REG}	
F07 Tu 6-9 p.m. Sep 17	Gregory Ray MC-SO 107

Intro to Smart Home Technology

A smart home system can help you reduce energy consumption, create a more comfortable family living environment and help protect your home against intruders. Enhance your lifestyle with simple, yet sophisticated control of music, video, lights, climate and more. Please note: Smart home technology requires Wi-Fi in the home, smart phone or tablet, and knowledge of how to download apps. This class will cover concepts and functionality, but will not focus on specific product brands.

COMP-765 1 session \$39 ^{AGE 60+} \$39 ^{REG}	
F11 Tu 6-9 p.m. Oct 15	Gregory Ray MC-SO 109

AutoCAD and Revit are registered trademarks of Autodesk, Inc., and/or its subsidiaries and/or affiliates in the USA and/or other countries.

Apple®

Mac for Window Switchers

For those raised on Windows PCs, the intuitive design of Macs can be anything but. Many item names, locations and behaviors on Mac are similar, but remain different enough from PC to invite confusion. This introduction to the "Apple® way" will lean on what you already know, but will translate PC-related language and function to Mac equivalents. Prerequisite: Basic computer familiarity with a recent version of Windows.

iPhone® and iPad®: Next Steps

If you're no longer a beginner, but not yet an expert, learn the skills to take your use to the next stage. Explore selecting and installing apps. Take, organize and share photos. Adopt shortcuts for frequently used apps (e.g., iMessages®, Safari® web browser). Keep your data secure. Customize your device to work better for you. If you're an iPad user seeking to use your device as your sole computer, learn how much is possible and limitations to expect. Prerequisite: familiarity in navigating your iPhone and/or iPad or completion of our Basics course. Have your iPhone and/or an iPad and corresponding charger(s) handy when joining class.

Boeing Assembly Pre-Employment Training Program

More than 1,000 graduates have been hired via the St. Louis Community College Boeing Pre-Employment Training program.

Choose from two training and career pathways:

Sheet Metal Assembler & Riveter Composites Assembly Mechanic

- Four- to eight-week training with convenient day or night classes
- Training is ideal for candidates who are mechanically inclined
- Guaranteed interview for all program graduates

Learn more and apply at stlcc.edu/Boeing.

Start your health care career pathway.

Become job ready through our hands-on, non-credit health care training programs. Prepare for an entry-level position and build an impactful career as you fill the need for health care workers here in St. Louis.

Patient Care Technician

Prepare for an entry-level position working alongside nurses and other healthcare professionals to provide direct patient care in a hospital setting.

11 weeks | stlcc.edu/PCT

Medical Assistant

Understand how medical offices operate and learn the medical assisting skills necessary to perform both administrative and clinical duties.

30 weeks | stlcc.edu/MA

Community Health Worker

Prepare to become a trusted community member who assists individuals and communities in adopting healthy behaviors.

20 weeks | stlcc.edu/CHW

Central Sterile Processing Technician

Prepare for a position in the central sterile processing dept. of a BJC Healthcare hospital as you learn to clean, decontaminate, sterilize and distribute medical and surgical instrumentation.

24 weeks | stlcc.edu/CSPT

CPR AND FIRST AID

Heartsaver First Aid: CPR/AED†

Heartsaver First Aid CPR AED is a classroom, instructor-led course that teaches students critical skills needed to respond to and manage a first aid, choking or sudden cardiac arrest emergency during the first few minutes before emergency medical service (EMS) arrives. It is designed to meet OSHA requirements. Students learn the skills to treat bleeding, sprains, broken bones, shock and other first aid emergencies. This course also teaches adult CPR, infant CPR and AED use. Practical skills (hands-on manikin simulation) evaluation and testing are required for course completion. Within 20 business days of successful completion, each participant will receive an electronic course completion card. Due to the nature of the course, you must arrive on time. No refund for late arrival.

BLS Instructor Essentials Course†

The American Heart Association BLS Instructor Essentials Course provides the core and discipline-specific content necessary to teach AHA CPR and First Aid courses. The course is taught in a blended-learning format. Instructor candidates will complete pre course online study, followed by the hands-on session conducted by Training Center Faculty during the AHA Instructor course. The course educates the instructor candidate in the use of AHA Instructor teaching materials; how to ensure that students meet learning objectives; student coaching skills; how to conduct an objective skills performance evaluation and to follow AHA Instructor course policies. Please note there is self-paced, pre course preparation. Access to a computer will be necessary to complete required online course work. Prerequisite required at time of registration: Current AHA BLS Healthcare Provider CPR card. Registration four weeks prior to course start date is required to ensure arrival of pre course materials and completion of pre course preparation. Per AHA requirements, within six months of the initial BLS Instructor Essentials Course, a STLCC Training Center Faculty member must monitor the instructor candidate's teaching and verify the performance of the candidate's provider skills. At time of registration you must provide documentation meeting all prerequisites. Due to the nature of this course, you must arrive on time. No admittance will be permitted after the stated start time. No refund will be given for registrants arriving late. Interested students must contact the training center coordinator at jclark399@stlcc.edu before registering for the BLS Instructor Essentials Course.

CPRR-708 | 1 session | \$324.50 AGE 60+ | \$349 REG

F01 W 9 a.m. - 5 p.m.
Oct 16 FP-W 126

BLS Instructor Renewal†

To successfully complete the American Heart Association cardiopulmonary resuscitation (CPR) Instructor Renewal course, you must demonstrate acceptable provider skills and successful completion of the provider written examination. The renewal course may include an update addressing new course content or methodology and review training center (TC), regional and national emergency cardiovascular care (ECC) information. Upon successful completion, you will receive an electronic BLS completion card (within 20 business days of the class.) Prerequisite: You must have taught at least four CPR courses, attended updates as required within the previous two years, and be a current CPR Instructor as evidenced by a current CPR Instructor card. At time of registration you must provide documentation meeting all prerequisites. Due to the nature of this course, you must arrive on time. No admittance will be permitted after the stated start time. No refund will be given for registrants arriving late. Interested students must contact the training center coordinator at jclark399@stlcc.edu before registering for the CPR Instructor Renewal Course.

† St. Louis Community College serves as a Community Training Center for the American Heart Association whose mission is to reduce disability and death from cardiovascular disease and stroke and set guidelines for emergency cardiovascular care and training. The American Heart Association strongly promotes knowledge and proficiency in basic life support (BLS) and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association.

Any fee charged for a course, except for a portion of the fee needed for American Heart Association course material, does not represent income to the Association.

Community Assistance

Community Emergency Response Team Training (CERT)

Have you ever thought, "What would I do if a tornado struck my subdivision?" or "What types of natural disasters can happen in St. Louis?" We have the answers. Community Emergency Response Team Training (CERT) is a series of classes that prepares you to help your community in the event of a crisis. Through lecture and hands-on activities, professional emergency responders will teach you about emergency and disaster preparedness, while you receive training in basic response skills such as fire safety, team organization, light search and rescue, and medical operations. Training will conclude with a full-scale disaster exercise in a tornado simulation (off-site location: 1001 Assembly Pkwy, Fenton, MO 63026) on Saturday, October 26, 9am-3pm. Upon successful completion of the training, you will be able to join a local St. Louis Area CERT program to continue to support and help where volunteers are needed.

Death and the Dying Process, a Shamanic Perspective

Death conjures images for us of a final end. Yet for those following a path of shamanism, it is freedom of the soul from the body that it used in this life to experience all that it can on its journey. The lessons of this life now behind it, death is the rebirth of the spirit into a whole new experience, the next step on the soul's journey. What is it to be the one who sits in vigil with the dying? What is it like to be the one chosen by the dying to help them cross the bridge? What might you expect? During class, we will have a guided meditation to meet with an ancestor or beloved. You may wish to bring a blanket or something cozy to be comfortable for the meditation Handout is included.

Floral Arrangement

Japanese Art of Flower Arranging

Ikenobo Ikebana, the centuries old Japanese art of flower arranging, transforms plant and flower materials into beautiful and elegant expressions. After learning about Ikebana's history and a how-to demonstration, you'll design and create an arrangement and learn skills relevant to this practice of bringing nature and harmony together in a disciplined art form. No prior experience is necessary. Each session will have a different theme. Students are required to bring scissors and/or pruners. All other supplies provided.

World in a Cup:

A History and Appreciation of Tea

The humble cup of tea is one of humanity's oldest prepared beverages, dating back over 4000 years and spanning the globe since with a wide variation in types, preparations, rituals, and significance across many cultures. Between tastings of some main varieties of tea leaves, expand your knowledge on tea's impact on history, from its origins in China through the formal tea ceremonies of Japan, spanning the British empire and filling pitchers in the American South. Focus will include distinguishing and discussing how to prepare different leaf types (e.g. black and green), favored national flavorings and common snack-worthy pairings. Come share a cuppa! All supplies provided.

DANCE

Ballroom

Ballroom Dance: Beginning

Learn to dance with grace, ease and confidence. Add new dimension to your life by learning classic ballroom favorites for a lifetime of enjoyment. You'll be amazed at what you can do with the variety of dance rhythms and steps covered. Partners are helpful, though not required. Each participant must register. No experience required.

DANC-720 | 8 sessions | \$79^{AGE 60+} | \$79^{REG}

F01 M 6:30-7:50 p.m. **Karen Merlin**
Aug 19 - Oct 14 *Bluebird Park- Ellisville*
• NOTE: No class 9/2

Cardio Dance

Retrofit Dance Aerobics

Retrofit is 70s, 80s and 90s inspired dance aerobics. It is primarily low impact and ideal for adults ages 30+ as well as participants recovering from illness. Retrofit is "joint friendly" and fun. After some heart-pumping, low impact aerobics, we'll slow down with stretching and rotation movements on yoga mats. Bring yoga mat, water bottle and a towel.

DANC-718 | 8 sessions | \$69^{AGE 60+} | \$69^{REG}

MUSIC

General

Listening to the St. Louis Symphony Orchestra

Explore the music on three upcoming concerts of the St. Louis Symphony Orchestra (SLSO). Discussion will focus on the forms, sounds and cultural context of the music so that you can hone in on your listening skills and increase your appreciation for the art form. Concerts include *Symphonie Fantastique: Opening Weekend* (September 27 & 29), *Mendelssohn's Reformation: Onward to Triumph* (October 18-19) and *Mozart's Requiem: Joy and Sorrow* (November 9-10). You will be offered a discount on tickets to the September and October concerts and free tickets to the November concert so you can put your newfound knowledge to work. No previous musical experience or knowledge required.

PHOTOGRAPHY

For all Core and Field classes, you must provide your own digital camera, any make or model is acceptable, preferably a beginner or enthusiast level. DSLR or mirrorless camera is recommended.

Most courses listed under Photography meet the curriculum requirements for the Digital Photography Essentials program. Classes excluded from the requirements are: Film Photography and Darkroom Developing & Printing. All classes may be taken for your own personal enrichment.

Core Classes

Analog Photography

Explore introductory photography, including the basic concepts and science of photography when using film. Taught by an instructor with more than 40 years' professional experience and using film photography as a guide, discover how to stop taking snapshots and start creating works of art. You must have a film or digital camera that can be used completely manual mode and allows for interchangeable lenses. Challenges will be presented each week for you to practice and share with peers, with optional critiques by peers and instructor.

Screenwriting

Screenwriting: Creating the Story First

The most important element of a screenplay isn't the quality of the writing, it's the idea. Before spending time putting words on the page, you first need to come up with a really great story that others will find exciting. Discuss TV and film projects that stand out, develop your story idea, and learn how to appeal to a wide audience.

THTR-765 | 2 sessions | \$30 AGE 60+ | \$49 REG

Aug 6 – Aug 27 *FP-W 118*

Creative Non-Fiction

The line between truth and fiction is in our imagination. Explore methods of writing nonfiction that give an author some wiggle room to make a story truly creative. Truth is in the eye of the beholder (or reader), with details added or subtracted. The way we write our truth is by way of our individual style; no other person would write about the same event in an identical way.

Sep 9 – Sep 30 *Online*

Writing and Publishing Your Memoir

Creativity isn't always required when it comes to good storytelling. When we write about our own lives and experiences, the story within us becomes complete. We have everything we need right at our fingertips when we compose a memoir—except, perhaps, the writing techniques that can help us feel confident enough to put it all down on paper. A memoir can focus on your childhood or your adult years or simply one particularly life-changing day.

WRIT-714 | 4 sessions | \$51^{AGE 60+} | \$89^{REG}
F02 Th 6:30-9:30 p.m. **Jordan Oakes**
Sep 5 – Sep 26 *FP-W 118*

Unleashing the Writer Within

Each of us has a story to tell. But it can be hard to access that creativity, peel away the familiar outer layers of doubt, remove distractions and overcome writer's block. Get to the core of what you're trying to say and learn to say it with language that is irreplaceably unique to you. When the writer within is unleashed, the words will come freely and the stories we need to tell will finally occur to us. While not a class requirement, those interested in sharing their work will receive the benefit of a thorough, productive critique from the instructor and fellow students.

WRIT-701 | 4 sessions | \$51^{AGE 60+} | \$89^{REG}
F08 F 6-9 p.m. **Jordan Oakes**
Sep 6 – Sep 27 *FP-W 118*

The Start of a Story

To coincide with NaNoWriMo (National Novel Writing Month), this class will be a support system for getting your novel going, with feedback and encouragement offered from fellow long-form authors.

WRIT-701 | 4 sessions | \$51^{AGE 60+} | \$89^{REG}

MASTER NATURALIST

The courses listed under Nature, Ecology, Landscape and Gardening meet the curriculum requirements for the Master Naturalist program. Classes may be taken for your own personal enrichment or as part of the Master Naturalist program.

Ecology

Indoor Composting: Making a Bokashi Bucket

Nearly 20% of household trash can be composted. The quick and convenient Bokashi Bucket system can be used year-round and produces no household odors. Construct an indoor composting system capable of decomposing food and house plant trimmings for a family of four. In a space-saving Bokashi system, effective microorganisms transform all types of kitchen waste into a nutrient-rich soil amendment. All materials are provided. Class is offered in partnership with the Missouri Botanical Garden EarthWays Center.

Go Native! Flood Control with Native Plants in Your Yard

Harness the power of nature to manage stormwater. Explore the surprising potential of native plants and how they can be strategically incorporated into landscapes to absorb excess water, filter pollutants, and reduce flooding in your community, all while helping to revitalize the ecosystem. Whether you're a naturscaping enthusiast looking to enhance your landscape or a homeowner seeking practical solutions to stormwater issues, this class offers inspiration and actionable ideas for creating beautiful, resilient, and environmentally friendly residential landscapes. Through practical examples and case studies, we will showcase how you can use rain gardens, bioswales, woodland gardens, and meadowscapes in your yard to manage stormwater effectively while creating inviting outdoor spaces.

Butterflies of the St. Louis Area

Did you know that there are more than 100 species of butterflies in the St. Louis area? A presentation with photos of the most common local butterflies will lay a foundation for recognizing butterflies seen in your garden and on nature walks. Information about habitat, host plants, and life cycle will also be discussed. A field trip to view butterflies will take place on Saturday, September 7, from 10:00 to noon. Bring binoculars; they are not required but will make your experience more enjoyable. The location will be announced the night of the class. The instructor is the president of the St. Louis Chapter of the North American Butterfly Association (NABA St. Louis).

COMMUNICATIONS

Personal Communication

Managing Difficult Conversations

Difficult conversations happen throughout our lives: at work, at home and in the world. The success of any relationship, business or personal, depends on the ability of those involved to effectively and confidently master difficult communication exchanges. Techniques are applicable to many situations including management or coworkers, bringing up issues with your spouse, understanding your kids better and getting to the bottom of a feud with your neighbor.

COMM-765 | 2 sessions | \$27^{AGE 60+} | \$39^{REG}
F01 Th 6:30-8:30 p.m. **Donna Mickens**
 Sep 12 - Sep 19 *STLCC-Corp 207*

Learning to Listen, Communicate and Conflict Resolution

Listening and communication are key skills, both in expressing your ideas and hearing the correct message, especially when it comes to conflict resolution and mutual understanding. Through in-class exercises, examine ways to improve listening skills, strengthen your ability to describe clear mental images and to ask clarifying questions. Applying these practices will enhance relationships with your partner, children, students, and colleagues.

COMM-765 | 2 sessions | \$27^{AGE 60+} | \$39^{REG}

PHILOSOPHY

Philosophy of Leadership: Explorations, Revisions and Applications

What leadership skills, strengths, and weakness do you have? Where do you get, or upon what do you build your truths about leadership? Building on the foundation of leadership guru Peter Fuda's seven leadership metaphors, explore these questions and discover what leadership means to each of us—individually and collectively, in personal lives, in homes, at jobs, and in communities. Discover how to better know what you are doing, how you are doing it and why you are doing it.

Stamp Collecting for Fun or Fame

October is National Stamp Collecting Month! Get involved with an introduction to the hobby of stamp collecting. You will explore tools, philatelic items, organizations that will help you start or enhance your collection for fun and be exposed to ways of exhibiting for fame. Concepts can be applied to any stamp topic you are interested in: butterflies, flowers, love, black heritage, space and so much more.

Tennis

National Tennis Rating Program (NTRP)

- 1.0** This player is just starting to play tennis.
- 2.0** May have had some lessons; needs on-court experience.
- 2.5** Can sustain a short rally of slow pace; needs to develop form.
- 3.0** Consistent on medium-paced shots; needs work on form and strategy.
- 3.5** Consistent with directional control; needs to work on specialty shots.
- 4.0** Dependable with directional control and depth has specialty shots. Needs to play more percentage tennis.

Designations used as a tool to assist students when registering for tennis classes:

Beginning I (1.0-2.0): Designed for beginners and those who have limited experience with basic tennis strokes. Proper techniques of all strokes will be covered. Drills will be used and tennis etiquette and rules will be discussed. Players will be grouped according to ability.

Beginning I and II (1.0-2.5): Designed for beginners and those who need to brush up on the basics. Techniques covered are forehand, backhand, serve, volley, basic strategy as well as drill exercises. Players will be grouped according to ability.

Beginning II (2.5): Further emphasis on proper stroke development and footwork through the use of drills. Tennis etiquette and rules will be reviewed. Consistency of stroke production is a major goal.

Intermediate I (3.0-3.5): A refresher on proper stroke execution. Drills are used and are emphasized to improve consistency and directional control. Strategy and some match play are covered.

Intermediate II to Advanced (3.5-4.0): This course includes more advanced drills, work on strategy and match play, with a goal of playing better percentage tennis.

Bring tennis shoes and racket. Tennis balls provided. Facilities may not be air-conditioned. Please dress appropriately. Every effort will be made to schedule a make-up class for outdoor classes missed due to rainouts. However, no refunds will be given for rained out classes.

Tennis: Beginning I, NTRP 1.0-2.0

STLCC Closures

Continuing Education offices will be closed and classes will not be held on the following dates:

Independence Day	July 4
Labor Day	September 2
Staff Development Day	October 1
Thanksgiving Break	November 28-29
Winter Break	December 24-January 2

Enrollment in Continuing Education classes is limited to persons 18 years and older except for youth classes or where otherwise noted. For most classes, registration is closed three business days prior to the class start date. See website course descriptions for the last day to register.

Online Classes

Students registering for online classes must have a valid email address and reliable internet connection. A link to your online class will be emailed to you two business days before the class start date. If you do not receive this, please call 314-984-7777 during business hours. More information on our online classes can be found at stlcc.edu/CE; go to "Support for Online Classes."

Students' Rights and Responsibilities

All students are responsible for adhering to College policies and procedures. Please refer to stlcc.edu/need2know.

Class Changes/Postponement/Cancellation

Any course changes in dates, times or locations will be emailed to students using the email address provided during course enrollment. Because Continuing Education (non-credit) classes are self-supporting, the decision to run a class is based on the number of students enrolled. The College reserves the right to cancel if sufficient enrollment is not achieved. **For changes and cancellations due to low enrollment, students will be notified by email.** Refunds will be issued for classes canceled by the College. Call 314-984-7777 with any questions.

Please keep your receipts for class materials including supplies and textbooks as these cannot be reimbursed by the College for classes not held.

Inclement Weather

Occasionally, Continuing Education classes are canceled due to inclement weather. Cancellations will be broadcast on KMOX-AM (1120), on KMOV-TV, KSDK-TV and KTVI/Fox 2. All location closings will be posted at stlcc.edu. To sign up for automated SMS notifications of STLCC campus closures or emergencies, visit stlcc.edu/alerts. **When St. Louis Community College cancels classes, online and off-campus classes are also canceled. In addition, when a particular host school district or institution closes, the Continuing Education classes at that location will not meet.**

Health and Safety Guidelines

Classes offered in-person may be rescheduled, canceled or transitioned to an online format. Students are required to follow all health and safety directives by St. Louis Community College and local health protocols.

Credit Card Processing Fee

A 2.85% third party processing fee will be added for class registrations made via debit and credit cards. This fee is nonrefundable. Payment may also be made via check through mail-in registration.

Class Withdrawal and Refunds

If you wish to withdraw from a class, you will receive a refund for most classes if the class is dropped three business days before the first meeting. See the CE website course schedule for classes (such as day trips) that require notice of more than three business days for cancellation and eligibility for a refund. Course fees for missed sessions are nonrefundable.

Requests for withdrawals must be submitted in writing to Continuing Education by email at CEdropbox@stlcc.edu or via mail to: 3221 McKelvey Road, Suite 250, Bridgeton, MO 63044. Calculation of refunds will be based on the date the request is received via email or postmarked date.

Time of Withdrawal	Percentage Refund
Three business days prior to the first class meeting. Must be submitted in writing.	100%
Two business days prior to the first class meeting or after the class has begun.	None

FOR SOME SPECIAL PROGRAMS AND CLASSES, AN EARLIER WITHDRAWAL DEADLINE MAY APPLY. THIS DEADLINE WILL BE PRINTED IN THE COURSE DESCRIPTION.

A student may receive either a full or partial refund for exceptional circumstances. For exceptional circumstances, requests must be submitted in writing (email or mail) within 10 business days after the class start date to be considered. Supporting documentation may be required.

Fee Reduction for Individuals Age 60 and Older

At the time of registration, individuals age 60 and older may enroll in select courses for a reduced fee. Reduction will be calculated at check-out.

Senior Citizen Scholarship

For information, please visit stlcc.edu/CE or call 314-984-7777.

Unattended Children

Students are not permitted to bring children to class, nor should children be left unattended in the halls, offices, library or common areas. The College reserves the right to protect the safety and welfare of unattended children. If students leave children unattended, College will institute disciplinary action.

FAQs

Answers to our frequently asked questions (FAQs) can be found on our website at: <https://stlcc.edu/docs/workforce-employer-services/ce-faqs.pdf>

Textbooks

Unless otherwise noted in the course description, textbooks can be purchased either at online retailers or via web order through the STLCC online bookstore for home delivery or on-campus pick-up (on-site STLCC campus bookstore textbook purchase not available). Most online STLCC bookstore orders are filled and shipped within three business days. Visit stlcc.textbookx.com and select the arrow under "View your course items." On the next screen, select "Continuing Education" at the first down menu for options to find your specific course. At the checkout page, select guest and enter your email to get started.

Firearms on College Property

No person (except for licensed police officers) shall possess or carry any firearm, visible or concealed, on college property, including college buildings and grounds leased or owned by the college, college athletic fields and parking lots or in any college vehicle or at college sponsored events on or off college property.

Non-Discrimination

St. Louis Community College is committed to creating inclusive, welcoming, and respectful learning and working environments focused on the needs of our diverse communities. The College does not discriminate on the basis of race, color, national origin, ancestry, religion, sex, pregnancy, sexual orientation, gender identity, gender expression, age, disability, protected veteran status, and any other status protected by applicable state or federal law. The College's nondiscrimination policies apply to any phase of its employment process, any phase of its admission, or financial aid programs, and all of its educational programs or activities.

For information or concerns relating to discrimination matters, contact the Director for Community Standards/Title IX Coordinator, Shannon Nicholson, MS, LPC, at 314-539-5345.

Protection of Intellectual Property

The content of each course consists of intellectual property of the College and the faculty member. Recording of course lectures, discussions and materials, or distribution/transmission of the course content, is prohibited. The reason for this policy is to protect the intellectual property of the College and faculty member, to protect the copyright interests in course materials and to protect the privacy interests of students participating in this course. Public distribution or transmission to publicly accessible web environments may constitute copyright infringement and may subject the student to disciplinary action under applicable College policies.

Accommodations

If you are a person with a disability who requires an accommodation in order to participate in any program or activity, please contact the Access Office at stlcc.edu/disability as soon as possible in advance of the program for consideration of your accommodations request. A student may submit this application at any time during their enrollment, but the College recommends submitting the application as early as possible to allow time to make any necessary arrangements.

Environmental Health and Safety

Some Continuing Education courses involve work with materials and products that require special handling. Please refer to STLCC's Environmental Health and Safety page (www.stlcc.edu/departments/environmental-health-and-safety) for additional information.

Assumption of Risk, Release and Waiver of Liability

St. Louis Community College assumes no liability for accidents or injuries that may occur while participating in Continuing Education classes and programs and provides no funds to cover medical costs or expenses. Students are reminded that participation is voluntary. It is strongly recommended that all students have their own health insurance. St. Louis Community College Continuing Education seeks to provide courses that are academically interesting and create opportunities for members to broaden their scope and interests. The material presented in these courses is for informational purposes only, and the views and opinions expressed in class are strictly those of the instructor.

REGISTRATION IS EASY!

Many classes have limited seating and registration deadlines. Be sure to register early!

Online

www.stlcc.edu/CE

Email address required for online registration. Payment via credit/debit card is due at time of registration.

Please note: A nonrefundable 2.85% fee will be added for class registrations made via debit or credit card.

Payment may also be made via check with mail-in registrations.

Mail

STLCC Continuing Education
3221 McKelvey Rd, Ste 250
Bridgeton, MO 63044

Complete the enrollment form and include check or money order for payment.
 Students who register by mail will receive confirmation of enrollment by email.

STLCC is committed to keeping your information safe. We can only accept debit and credit card payments through our online system. You can register and pay online at stlcc.edu/CE. We will also accept registration and payment via check by mail. All payment for classes must be received by the class registration deadline (closed three business days prior to class start unless otherwise noted in the course description at stlcc.edu/CE.)

Please contact our **Call Center** with any questions you may have at **314-984-7777** or **CEdropbox@stlcc.edu**.

Hours

• M-Th 8:30 a.m.-4:30 p.m.

• F 8:30 a.m.-4 p.m.

Enrollment in classes within this catalog is limited to persons 18 years and older except for youth classes or where otherwise noted.

Registration Deadline: All non-credit courses are limited in enrollment. Advanced registration is required prior to first class meeting. For most classes, registration is closed three business days before the class start date. Please check the online course description for the last day to register. Some classes have additional registration deadline requirements.

Confirmations and Cancellations: Registration confirmations, course updates and cancellation notices will be delivered to the email address provided at registration. Please see Class Changes/Postponement/Cancellation section of General Information for further information.

ST. LOUIS COMMUNITY COLLEGE...

Since 1962, more than 1.3 million people have passed through our doors to take a class, earn a degree, upgrade their career skills or enrich their lives. Each year, more than 50,000 students enroll in:

- College transfer and career programs leading to associate degrees
 - Job skill and personal development classes
 - College preparatory courses
 - Specialized performance programs sponsored by local employers
 - Associate degrees in arts, science, fine arts, applied science and teaching are offered as well as certificates of proficiency and Specialization. The College's Workforce Solutions Group also serves the local business community through assessment, counseling, consulting and training services.
- Learning is convenient via:
- Four campuses, two education centers, two training centers and four centers of excellence.
 - With four ways to learn at STLCC, we have an option that will work for your schedule. Classes are taught Face-to-Face, Live Virtual Lecture, Online and Hybrid.

St. Louis Community College is committed to expanding the minds and changing the lives of our students. STLCC is institutionally accredited by the Higher Learning Commission (HLC), and many of our programs have been accredited or approved by recognized accrediting bodies. St. Louis Community College focuses its resources on helping students find the right academic and career pathways. Through its alumni and community partnerships, the College is helping St. Louis become the best place to live and work in the 21st century.
